

## Catalog # :

~~506476~~**Jako-Kleinsasser Micro-Laryngeal Scissors****Description:**

These Pilling® Micro-laryngeal Scissors were designed specifically for everyday-use micro-surgery. They feature a slender 2 mm diameter stem with miniature distal jaws in the shape of scissors and are made of dull finished stainless steel to reduce glare. Their stem is angulated (5 degree bend at handle) for unobstructed vision and they have a 22 cm working length.

506476: Scissors, curved right

**Related:**

- 506470 Grasping forceps, curved left
- 506471 Grasping forceps, curved right
- 506472 Grasping forceps, straight
- 506475 Scissors, curved left
- 506477 Scissors, angled up
- 506478 Scissors, straight, vertical
- 506479 Scissors, straight, horizontal
